The **HAVEN W01774BR** wall lamp is an elegant wall accent that brings the luxurious aesthetics of Art Deco into contemporary interiors. The combination of a slim mount in a brushed brass finish with a fluted glass shade makes this lamp not only a light source but also a wall decoration, creating a unique aura around itself.

Benefits:
- Create a painterly effect on the wall - the fluted glass structure (waves) beautifully refracts light, creating radiant reflections that visually enrich smooth surfaces
- Choose warm elegance - the Brushed Brass finish adds coziness and a noble character to the interior, blending perfectly with beiges, grays, and wood
- Gain timeless design - the lamp's form balances between classic and modern, making it suitable for both Hampton-style apartments and modern arrangements
- Illuminate relaxation zones - milk or structural glass (depending on the bulb) provides soft light, ideal for evening relaxation

Application: The HAVEN W01774BR wall lamp is perfect for bedrooms on both sides of the bed (as an alternative to bedside lamps), in long corridors creating a rhythmic lighting composition, and in the living room as atmospheric side lighting.
