Modern, minimalist

Discover the extraordinary Kyoto series - modern and minimalist outdoor sconces that will add a unique charm to your surroundings. The collection includes two distinctive models with robust dimensions: a shorter one (45cm in height) and a longer one (63cm in height).
These stylish sconces stand out with a rectangular, exceptionally long, and glazed frame, painted in a matte black color. They serve not only as excellent sources of lighting but also as striking decorative accents.

Kyoto is a true manifesto of minimalism and modernity that subtly emphasizes the beauty of your home and reflects your unique taste. Importantly, the sconces are entirely crafted from stainless steel and aluminum, ensuring their durability even in challenging weather conditions.
Create a unique atmosphere around your home with the Kyoto series sconces - a perfect blend of functionality, aesthetics, and durability.
