| Light sources included | **No** |
| IP rating | **IP23** |
| Lampshades | **No** |
| EAN | **5902115965555** |

Modern, significant

This series offers two variants of robust outdoor wall sconces - for two bulbs or three, allowing for customization of lighting to individual needs. The sconces stand out with their long, glazed frame.
The frame is entirely made of aluminum, ensuring durability in challenging weather conditions. Painted in a matte black with a sandy texture, it will look splendid in any situation, especially by entrance doors or on a terrace.
