Sconce MEMPHIS W01170BR

Technical data	
Szerokość	**13.00cm**
Wysokość	**45.00cm**
Color	**Brass**
Material	**Metal, Glass**
Room	**Home office, Livingroom, Bedroom, Hall, Dining room, Bathroom**
Type	**Wall lamps**
Socket	**E14**
Number of light sources	**1**
Maximum power	**40W**
Light sources included	**No**
IP rating	**IP20**
Lampshades	**No**
EAN	**5902115966170**

MEMPHIS – A frozen cascade of glass drops

Inspiration & Style The Memphis collection is a tribute to nature in a luxury edition. Instead of sharp geometry, we find fluidity and organic shapes here. This model realizes the idea *When Yesterday Inspires Today* by combining traditional glass craftsmanship with a contemporary, free form.

Key Visual Features:
- **Organic Form:** The shade is formed by rows of massive glass elements shaped like large water drops or melting icicles. Each element appears heavy and solid, building an impression of exclusivity.
- **Thick Artistic Glass:** The use of thick glass means light doesn't just pass through it but is "trapped" within, beautifully illuminating the entire mass of the element. This creates a depth and 3D effect impossible to achieve with thin glass.
- **Fluid Light Effect:** Thanks to the rounded shapes and material thickness, the lamp casts no sharp shadows but fills the interior with a soft glow, adding coziness and nobility to the arrangement.

Application: Memphis is jewelry for the interior. It will find its perfect place above a dining table, in a bedroom, or over a kitchen island, where its organic form introduces peace and harmony without sacrificing the "wow" effect.
