QUINCY W01859NS single wall sconce is the essence of "clean look" aesthetics. The satin, silvery finish makes the lamp look light and modern, fitting perfectly into bright, spacious interiors.

Benefits:
- Gain consistency with fittings - the NS finish matches bathroom faucets and furniture handles in inox/chrome perfectly
- Optically enlarge the interior - bright metal and light form do not overwhelm the wall
- Bet on American style - classic design in nickel is a hallmark of New York and Hampton styles
- Enjoy functional light - ideal for reading or precise face illumination

Application:
Indispensable in bright bedrooms, and in vestibules as elegant welcome lighting.
