| Maximum power | **40W** |
| Light sources included | **No** |
| IP rating | **IP20** |
| Lampshades | **No** |
| EAN | **5902115966873** |

**QUINCY W02873BK double wall sconce** is a strong accent in your interior. Two light points connected by a raw, black frame create a modern, loft composition that catches the eye and defines the room's style.

**Benefits:**
- Highlight the mirror zone - the black fixture constitutes a perfect frame for the washbasin area
- Combine function with design - a large amount of light in a fixture with an expressive, architectural character
- Create a loft vibe - matte black and visible construction elements are the quintessence of industrial style
- Play with contrast - looks great on white "metro" tiles or raw concrete

**Application:**
Ideal for modern bathrooms (over the mirror), in a loft-style hallway, and as task lighting in a home office.
