Number of light sources	**2**
Maximum power	**40W**
Light sources included	**No**
IP rating	**IP20**
Lampshades	**No**
EAN	**5902115966897**

QUINCY W02897BR double wall sconce is a solution for demanding spaces. Two light points on an elegant, brass frame provide twice as much light and style, introducing symmetry and luxury to the interior.

Benefits:
- Illuminate a larger space - two light sources effectively brighten the zone near the mirror or above a dresser
- Gain effective decoration - the wide form of the lamp constitutes a strong, horizontal accent on the wall
- Feel the retro vibe in a modern edition - brass finish alludes to classic design of the 20s and 50s
- Build symmetry - ideal for central mounting, optically organizing the space

Application:
Dedicated for mounting over a wide mirror in a bathroom or dressing table, as well as over paintings or consoles in a representative hall.
