Introduce classic lantern-style elegance to your outdoor or indoor space with the WHITLEY W02071AU wall lamp — a refined fixture made of brass, aluminum, and glass, finished in polished gold.

Benefits:
– Brighten your space with two E14 light sources enclosed in a geometric brass frame inspired by traditional lanterns.
– Add sophistication with beveled glass panels set within a polished brass structure, casting beautiful light and shadow effects.
– Enjoy a compact yet impactful silhouette — 52 cm in height and 25 cm in depth — suitable for various applications.
– Count on durability and resistance — IP23 protection makes it suitable for sheltered outdoor areas.
– Pair with other WHITLEY collection pieces to create a cohesive and elegant lighting scheme.

Use cases:
WHITLEY W02071AU is perfect for covered entrances, terraces, gazebos, as well as indoor halls and corridors. Its lantern-inspired shape and polished gold finish blend beautifully with modern classic, transitional, soft industrial, and upscale New York–style interiors.
