

Technical data

Szerokość	43.00cm
Długość	35.50cm
Wysokość	167.50cm
Color	White, Silver
Material	Metal
Room	Home office, Livingroom, Bedroom
Type	Floor lamps
Socket	LED
Number of light sources	1
Maximum power	12W
Light sources included	Yes
IP rating	IP20
Light color	3000K
Technology	LED
Lampshades	No
EAN	5902115960062

Modern, all-purpose.

LED lighting of SYDNEY lamps (SMD) is currently the most modern solution used in the design of impressive decorative lamps. Small dimensions, high brightness (Sydney emits a luminous flux of 1260 lm) and energy efficiency are the most important features of SMD LEDs. They give a nice, evenly diffused and bright light.

This lamp gives an exceptionally original lighting, thanks to the horizontal directing of light directly to the dome lined with delightful, thin flakes of silver metal. The outer part of the dome and the base are in matt white, while the rest is chrome-plated.
