Floor lamp SYDNEY F01079WH AU

Modern, all-purpose.
LED lighting of SYDNEY lamps (SMD) is currently the most modern solution used in the design of impressive decorative lamps. Small dimensions, high brightness (Sydney emits a luminous flux of 1260 lm) and energy efficiency are the most important features of SMD LEDs. They give a nice, evenly diffused and bright light.
This lamp provides an exceptionally original lighting, thanks to the horizontal directing of light directly to the dome lined with delightful, thin flakes of gold-colored metal. The outer part of the dome and the base are in matt white, while the rest is chrome-plated.

Technical data	
Średnica	**60.00cm**
Wysokość	**200.00cm**
Color	**White**
Material	**Metal**
Room	**Home office, Livingroom, Bedroom**
Type	**Floor lamps**
Socket	**LED**
Number of light sources	**1**
Maximum power	**18W**
Light sources included	**Yes**
IP rating	**IP20**
Light color	**3000K**
Technology	**LED**
Lampshades	**No**
EAN	**5902115960079**
