Add a distinctive touch to your interior with this designer table lamp inspired by the shape of an artichoke - a decorative blend of nature and elegance. The sculptural base draws the eye with its organic form, while the white fabric shade and brushed brass details give the lamp a refined, luxurious finish.

Benefits:
- Create a true “wow” effect with an original artichoke-inspired design - the lamp also works as a decorative sculpture.
- Enjoy soft, pleasant lighting thanks to the white fabric shade that gently diffuses the light.
- Enhance the elegance of your interior with brushed brass details - subtle yet clearly luxurious.
- Combine natural inspiration with modern design - a perfect balance between decoration and functionality.
- Build a cosy atmosphere without overwhelming the space - the proportions are well-balanced and versatile.

Application:
This table lamp is ideal for the living room, bedroom, home office or an elegant hallway. Perfect for interiors in modern classic, soft glam, art déco, eclectic styles, as well as contemporary spaces with a botanical accent. It looks great on a sideboard, side table, console or as a unique bedside lamp.
