Add an elegant contrast and luxurious character to your interior with a **table lamp featuring a beige velour lampshade** and a decorative ceramic **base in black and silhouette**, finished with a gold detail at the bottom.

Benefits:
- The beige velour lampshade gives off a soft, cozy light and immediately enhances the premium feel of the interior
- Sculptural ceramic base - strong form, distinct presence, zero blandness
- The contrast of black, beige, and gold looks expensive and timeless.
- Perfect as a decorative accent that works even when the light is off.
- Stable, solid construction - the lamp is visually “heavy” and sturdy.

Application:
Perfect for a console table in the living room, a chest of drawers, a side table, or in the bedroom as a night lamp. Suitable for modern classic, soft glam, hotel, contemporary interiors, as well as elegant, neutral arrangements with black and gold. Ideal where you want to make an impression, not just provide light.
