Bring soft color and decorative character to your interior with this **table lamp featuring a ceramic base** in shades of **powder pink and toupe**, topped with a white fabric shade. This lamp creates more than just light—it creates atmosphere.

Benefits:
- Soft, diffused light thanks to the light-colored fabric lampshade
- Decorative, sculptural ceramic base - eye-catching even when the light is off
- The combination of powder pink and cream warms up the interior and gives it a lightness
- Ideal as a color accent without being over the top
- Stable, solid form - the lamp “stands” and does not look delicate

Application:
The lamp is perfect for a chest of drawers, bedside table, or side table in the living room. It fits into soft glam, modern classic, contemporary, Japandi with a twist, and feminine, cozy interiors. It looks good on its own, but even better in pairs.
