Elegant, timeless.
The series was designed by Magda Fornal.
The design of the light fixtures harkens back to bygone years, but in a contemporary way: it is light and elegant at the same time. It is an "emotionally engaged" design. - It is intended to arouse feelings through its design.
Each element is refined to the smallest detail, and the materials used (including brass and marble) emphasize the class of the product.
Series designed by a woman - dedicated to women.
Note: the lamp base is made of natural marble. The degree of use, its arrangement, intensity and color vary in each product.
