Elegant, subtle

The Cannes lamp series is a real treat for enthusiasts of modern classic and New York classic styles - a brass body surrounded by transparent glass leaves creates a unique pattern that exudes elegance and subtlety. These fixtures will not only add exceptional character and atmosphere to your space, but also strengthen and emphasize its style. At this moment, it's not just lighting - it's a true poetry of light, that will serve as a focal point regardless of the room.

The Cannes series consists of three pendant lamps, each with a different impressive size, and a ceiling lamp. Therefore, it will not only fit into a home, but will also find a perfect place in an elegant restaurant, a theater lobby, or a luxurious hotel.
Add a touch of luxury an
d finesse to your space and invest in exceptional lighting that will not only serve a practical function, but also become an unforgettable element of your interior. Discover how light can transform your space and highlight the individuality of your style with this unique series.
