Glass color	**Transparent**
EAN	**5902115965500**

Bring ambient light and minimalist form to your space with the HALE P01500BK pendant — a sleek fixture featuring a single glass shade with a gradient from frosted to semi-transparent.

Benefits:
– Enjoy soft, diffused light thanks to the glass shade that is 70% frosted on top and gradually transitions to semi-transparency.
– Add elegance and visual contrast with matte black metal paired with subtly tinted glass.
– Illuminate dining tables, kitchen islands, or side spaces with functional yet decorative lighting.
– Built to last — durable materials and quality craftsmanship ensure long-term use.
– Complete the look with other pieces from the HALE collection for a unified lighting design.

Use cases:
HALE P01500BK is ideal for modern kitchens, dining areas, or living rooms where atmospheric lighting is key. Its refined gradient shade suits japandi, soft loft, modern classic, and industrial interiors.
