Pendant lamp MIAMI P08018CH

Beautiful and stylish.
The MIAMI series presents a new way of softening the light - in addition to the opal shade right next to the bulb, there is also a glass shade in front of it.
It gives a new, luxurious character and refreshes well-known standards.
Eight bulbs provide the right amount of light in the room and make an amazing impression on everyone who looks at it. The whole thing is placed on a chrome frame that looks spectacular.
It will perfectly fulfill its role as a lamp for the living room or kitchen - its lengthy shape will create the impression of beauty and luxury.
