Pendant lamp NEW YORK P01403AU-WH

COSMOLight®

Phenomenal and intriguing.
A modern incarnation of a chandelier in the New York edition combined with timeless gold is the phenomenal NEW YORK lamp design. The light source is covered with a woven off-white lampshade, and the whole thing is enclosed in a golden lampshade - in the shape of a cage. The pendant lamp is perfect for the dining table in the living room or the island in the kitchen.
It will also find its place in a representative hallway or in privacy of a bedroom.
