Type	**Pendant lamps**
Socket	**E27**
Number of light sources	**4**
Maximum power	**40W**
Light sources included	**No**
IP rating	**IP20**
EAN	**5902115966576**

The **NORFOLK P04576AM-WH** pendant lamp is the quintessence of cozy elegance in the modern classic spirit. The combination of a frame in a matte gold finish with a shade featuring a distinct, noble fabric structure adds warmth and depth to the interior. The design is completed by a milk glass pane at the bottom, which softly diffuses light, hiding the bulbs and ensuring visual comfort.

Benefits:
- Gain soft, shadowless lighting - the bottom milk glass diffuser eliminates glare, perfectly illuminating a table or relaxation area
- Appreciate finishing details - the off-white shade with distinct texture introduces a three-dimensional element and a touch of luxury tailoring to the arrangement
- Create a mood of relaxation - the lamp builds an atmosphere of peace, ideal for a bedroom or living room, combining utility with decoration

Application: The NORFOLK P04576AM-WH lamp is created to be hung above a dining table (thanks to the milk glass diffuser, it does not dazzle people sitting at the table), in the central point of a living room, or in a bedroom above the bed, where gentle, atmospheric light counts.
