Subtle, elegant

Illuminate your surroundings with exceptional style using Nuuk outdoor lamps. Their unique design, with a distinctive frame and beveled glass, will give your entrance a distinctive character. The steel-aluminum frame, standing at a height of 31 cm, is coated in an elegant matte bronze. These Nuuk outdoor lamps are available in two variants: as an impressive wall sconce or a stylish hanging lamp. Both models allow for the installation of a single bulb, enabling you to customize the lighting to your preferences.

With its versatility and designer sophistication, the Nuuk lamp will not only serve as a practical lighting element but also as a striking decorative accent. Make your entrance a representative space that will delight visitors and emphasize the unique character of your home or garden.
