Pendant lamp OXFORD P04052NI

Dazzling, modern.
The hanging lamp from the OXFORD series is an extraordinary idea for a lamp for the living room or hallway. Four light sources mounted on two levels make it a highly unique and unusual.
The height of this chandelier can be adjusted by removing one or more of the tubes attached to the lamp (3x30cm and 1x15cm). Also, the use of tubes allows you to set the lamp exactly as you wish (the lamp does not rotate around its axis after hanging). It can also be attached to sloping ceilings.
