PROVIDENCE - Textile elegance in a timeless form
Inspiration & Style
The Providence collection is a tribute to simple, unpretentious form. This design rejects unnecessary ornaments, focusing on clean geometry and the subtlety of materials. Realizing the idea of *When Yesterday Inspires Today*, the lamp brings peace and timeless classics to interiors in a refreshed, minimalist edition.

Key Visual Features:
- Pleated lampshade: A wide, conical shade with a smooth line is the main element of the fixture. The subtle, vertical pleats of the light fabric give it a delicate structure, and when illuminated, the material evenly and softly lights up the space.
- Brushed Brass (BR): The metal finish, featuring a classic chain and a distinctive curved bracket topping the shade, provides a luxurious and warm accent contrasting with the white fabric.
- Mood lighting: The reduction of details means that Providence does not overwhelm the interior. Instead, it builds an incredibly cozy, homely, and harmonious atmosphere.

Application:
The lamp is perfectly suited for hanging over a round dining table, in a warm, stylish bedroom, or in an elegant living room. Its form calms the space, bringing harmony to it.
