Elegant, glamorous.
This ceiling lamp proves that it is possible to combine elegant tradition with modernity. It resembles a silver bracelet hung with hundreds of subtle silver chains that give lightness. The light falling through these strands creates an extraordinary atmosphere.
The design of the ROMA pendant lamp and its length are suitable as the ideal lighting for a high living room, an exclusive restaurant, or, for example, the lobby in an elegant hotel. The lamp has 10 light sources: - 9x E14 40W - 1x GU10 35W (included in the lamp).
