SAVANNAH – Geometric detail in a jewelry setting
Inspiration & Style The Savannah collection is the quintessence of the Modern Classic style with a clear note of Art Deco. This lamp combines the warm, homely softness of a textile shade with the cool, architectural precision of a metal construction. True to the brand's philosophy, *When Yesterday Inspires Today*, this design brings the glamour of the past into contemporary interiors in a refreshed, sophisticated form.

Key Visual Features:
- Intricate Metalwork Decoration: The highlight of the design is the decorative metal ring in a polished gold finish. Its complex, geometric pattern, arranged in rhythmic, interlocking weaves, acts as a jewelry accent for the simple white shade.
- Rigid Suspension: The use of a central brass stem instead of a chain emphasizes the modern and clean character of the lamp, ensuring a stable and elegant presentation.
- Lighting Comfort: The thick, textured material of the shade perfectly diffuses light, eliminating glare and filling the room with a soft, cozy, yet luxurious glow.

Application: The Savannah lamp is the focal point of any room. It will look perfect above a round dining table, in an elegant living room, or a prestigious hotel lobby, where its sophisticated form will attract every eye.
