Introduce timeless elegance to your covered outdoor space or interior with the WHITLEY P01064AU pendant light — a decorative lantern-style fixture made of metal and glass, finished in polished gold. Designed for outdoor use in sheltered areas (IP23), it is also perfectly suited for indoor applications.

Benefits:

– Provide stylish illumination with one E14 bulb housed inside transparent, faceted glass.
– Highlight classical architecture with an elegant lantern shape and decorative gold frame.
– Enrich the space with a polished gold finish that reflects light and adds a luxurious touch.
– Adjust the suspension height to your ceiling thanks to the included adjustable chain.
– Create a cohesive lighting design by combining it with other fixtures from the WHITLEY collection.

Use cases:

WHITLEY P01064AU is perfect for covered entrance areas, verandas, gazebos, as well as interior spaces — above a table, in a hallway, or in an elegant foyer. It complements interiors in modern classic, transitional, soft glam, and New York–inspired styles.
