Add elegant depth to your interior with this ceiling light featuring a refined, timeless design. The combination of brushed brass, decorative fluted glass on the sides, and a milky white diffuser underneath creates a harmonious balance of light and detail - perfect for both modern and classic interiors.

Benefits:
- Enjoy soft, comfortable illumination thanks to the milky white glass diffuser on the bottom, which evenly spreads the light and reduces glare.
-Enhance the character of the space with fluted side glass that adds texture and a subtle play of light.
- Introduce a warm, luxurious accent with the brushed brass finish - elegant yet understated.
- Choose the perfect size for your interior with two size options available.
- Combine aesthetics with functionality - the ceiling light provides effective general lighting while serving as a decorative ceiling feature.

Application:
This ceiling light is ideal for living rooms, bedrooms, dining areas, hallways, and elegant home offices. It complements interiors in modern classic, soft glam, Art Deco, New York, and contemporary styles. Its low-profile design also makes it suitable for rooms with lower ceilings.
