Benefits:
– Ensure effective, diffused outdoor lighting with three E27 bulbs enclosed in frosted glass.
– Complement the minimalist architecture of a covered terrace, gazebo, or entrance with its clean geometric metal form.
– Compact size (30.5 cm diameter, 10 cm height) — ideal for low exterior ceilings.
– Durable and weather-resistant construction — all-metal body and IP44 protection.
– Combine with wall and pendant lights from the FUNCHAL collection for a consistent exterior lighting setup.

Use cases:
FUNCHAL C03163BK is ideal for covered terraces, entrances, balconies, or garden pavilions. Its compact, matte black design also fits interior spaces styled in minimalist, soft industrial, japandi, or contemporary aesthetics.
