EAN	**5902115966002**

Add elegance to your outdoor space with the WHITLEY C03002AU ceiling light — a decorative fixture made of metal and glass with a polished gold finish. Designed for use in covered outdoor areas (IP44), it can also be confidently used indoors.

Benefits:
– Provide stylish lighting with three E14 bulbs enclosed in clear, faceted glass panels.
– Highlight classical architecture with a lantern-style silhouette featuring a decorative gold frame and glazed sides.
– Introduce a refined touch with polished gold that reflects light and adds visual appeal.
– Install in entryways, verandas, or covered terraces thanks to IP44 protection.
– Pair with wall and pendant lights from the WHITLEY collection for a cohesive lighting scheme.

Use cases:
WHITLEY C03002AU is ideal for elegant outdoor (and indoor) spaces. It works beautifully on the ceilings of covered porches, garden pavilions, terraces, or entrance areas in modern classic, soft glam, transitional, or New York–inspired interiors.
